

You Don't Know What To Do (feat. Wale)

Mariah Carey

You need to go
Don't look so surprised
Cuz we had a love
That would be immortalized
Said you need me now
So lost without me now
But our little romance is through
Because basically boy you
You just don't know what to do
Oooooooooohhhh (don't know what to do)
I can give it to ya, but what you gonna do
Win it if I hit it, I bet you stuck, stupid
But sucking your teeth, don't fuck up my mood
I'm trying to give it all to you
I can understand it's things we go through
Put C's on your bag, let see this here through
And we can be [?]
But I gotta get it out of you
I see that 'Le throw a ring on it
She don't love you then she put your whole name on it
Gettin' money, at this age is hard knocks
The date [?] I miss you almost half as much as you miss me
You used to act so tough, breed insecurity
Now that I found myself you're begging to be mine
Can't even help yourself from playing the fool each time
Ooh-ooh-ooh, how I loved you
Ooh-ooh-ooh, how I needed you
Ooh-ooh-ooh, boy I feel brand new
Ooh-ooh-ooh, since you turned me loose, baby You don't know what
You don't know what
You don't know what to do
You don't know what
You don't know what
You don't know what to do First you want to leave
Then you never go
I'ma set you free boy
Baby you don't know You don't know what
You don't know what
You don't know what to do
You don't know what
You don't know what
You don't know what to do You love me more than you love sunny summer days

And even more than you love floating in the haze
Boy when you lost my heart you lost everything
Now all that you can do is listen to me sing Ooh-ooh-ooh, how I loved you (how I loved you
boy)

Ooh-ooh-ooh, how I needed you
Ooh-ooh-ooh, boy I feel brand new
Ooh-ooh-ooh, since you turned me loose, baby You don't know what

You don't know what
You don't know what to do
You don't know what
You don't know what
You don't know what to do First you want to leave

Then you never go
I'ma set you free boy
Baby you don't know You don't know what
You don't know what
You don't know what to do
You don't know what
You don't know what

You don't know what to I can give it to you, but what you gon' do
Win it, if I hit it, I bet you stuck, stoop
And the motto I got, no class in this school
Take your bags and go boo

Never mind all of the flexin' I do
Balenciagas, got you two steppin' on smooth
Never will I lower my standards, my boo
I could show you we're attendants like Sampress on cue
That's kinda funny cause love still mean lose
Unless we kill a record and back-and-forth moves
Somehow you keep showing [?], I see through it

Did you catch that all, screw it
All the girls need is respect and I do it
Never catch feelings cause jets is my fuel
Giuseppe my foot, my sweats be [?]

So sexy, they ain't sweating me, I bet you ain't know You don't know what
You don't know what
You don't know what to do
You don't know what
You don't know what

You don't know what to do First you want to leave
Then you never go
I'ma set you free boy
Baby you don't know You don't know what
You don't know what
You don't know what to do
You don't know what
You don't know what

You don't know what to do You don't know what to do to me
You don't know what to do to me

You don't know
You don't know
You don't know what to do me
