

Waitin' On 5

Chris Janson

Underneath a car, turning on a wrench
Out there on a farm fixing that fence
It's like watching your team while you sit on the bench
Waiting on 5 to start on 6
Out in the summer in the AC
Two hours left when the hand's at 3
If you want an overtime, sorry I'm sick
Waiting on 5 to start on 6 Everybody watching that tick-tock-tick
The slower it goes the closer it gets
We'll be cracking and a-popping and a-giving it a twist
Waiting on 5 to start on 6
Hey-hey, alright
Yeah we're gonna have a little party tonight
Hey-hey, alright
Sipping and kissing somebody tonight
Sunday night comes and I'm getting depressed
Monday morning blues and my head is a mess
Friday rolls around and I'm getting that itch
Waiting on 5 to start on 6 Everybody watching that tick-tock-tick
The slower it goes the closer it gets
We'll be cracking and a-popping and a-giving it a twist
Waiting on 5 to start on 6, hey!(Hey, son)
(Listen to me here) I'd rather dig in a cooler man than dig in a ditch
I'm sick and damn tired of being somebody's bitch
I've been a-working all day, about time to quit
Waiting on 5 to start on 6 Everybody watching that tick-tock-tick
The slower it goes the closer it gets
We'll be cracking it, a-popping it, a-giving it a twist
Waiting on 5 to start on 6, uh
Waiting on 5
Waiting on 5
Waiting on 5 when it's time to quit
Waiting on 5
Waiting on 5
Waiting on 5, it gets started on 6 Everybody watching that tick-tock-tick
The slower it goes the closer it gets
We'll be cracking it, a-popping it, a-giving it a twist
Waiting on 5 to start on 6 Hey-hey, alright
Doing our time till it's time to quit
Hey-hey, alright
Waiting on 5 to get started on 6
