

A Public Affair

Jessica Simpson

There go the street lights - the night's officially on,
I got the green light - to do what ever I want,
I'm gonna stand - outside - the box - and put the rules on hold, Tonight Carte blanche first class
for the evening Ready Set Go All the girls steppin' out for a public affair
(All night, let's rock cause the party don't stop)
All the cameras come out for a public affair
(Who cares, let's rock, cause the party don't stop) Hey baby, I see you lookin' over here baby
Are you gonna keep lookin' - or get up?
And talk to me
Here's an opportunity that you don't wanna miss Tonight Carte blanche first class for the
evening Ready Set Go
All the girls steppin' out for a public affair
(All night, let's rock cause the party don't stop)
All the cameras come out for a public affair
(Who cares, let's rock, cause the party don't stop) Ohh Ohh Do what you wanna do, tonight the
world does not exist
no no no
Move how you want to move, all my girls work it out - like this Give me room to shake, shake,
shake, shake All the girls steppin' out for a public affair
(All night, let's rock cause the party don't stop)
All the cameras come out for a public affair
(Who cares, let's rock, cause the party don't stop) All girls for a public affair
(All night, let's rock cause the party don't stop)
All the cameras come out for a public affair
(Who cares, let's rock, cause the party don't stop)
All night don't stop, *giggle*, Who cares? Let's rock
All night don't stop (Don't stop don't stop)
Who cares lets rock Ohhh Ohhh Ohhh
Hey Baby
Ahhh ohh ohh ohh
Ahhh ohh ohh All the girls steppin' out for a public affair
(All night, let's rock cause the party don't stop)
All the cameras come out for a public affair
(Who cares, let's rock, cause the party don't stop) (Stop, Stop, Stop, stop, stop, stop)
