

# Holler Boys

## Upchurch

[Intro]

Whoa, whoa

[Verse 1]

The only poison I've had is ivy  
The only man I fear is God  
No snakes can make me run now  
'Cause I've been bit by 'em all  
No buck can stare me down  
No neighbor can shut me up  
I'm off the grid and I'm off my rocker  
I'm off in the holler son

[Chorus]

We them holler boys  
Holler if you're needin' somethin' done  
Holler if you need a chip or a shoulder  
And a hand with a loaded gun  
We'll be out that screen door, no shirt on  
Leavin' two black marks down a one lane road  
Yeah we, yeah we, yeah we them holler boys

[Verse 2]

The only fight I've ever been in  
Was takin' up for somebody else  
The only time I got my jaw jacked is never but damn sure not quite yet  
The times I miss the most are the times nobody knows  
When it was me, my cousin, and a couple of my buddies  
Racin' down ol' Sams Creek Road

[Chorus]

We them holler boys  
Holler if you're needin' somethin' done  
Holler if you need a chip or a shoulder  
And a hand with a loaded gun  
We'll be out that screen door, no shirt on  
Leavin' two blackmarks down a one lane road  
Yeah we, yeah we, yeah we them holler boys

[Bridge]

Holler boy native to the the holler soil  
Washed in the spring of a farmer's joy

[Chorus]

We them holler boys  
Holler if you're needin' somethin' done  
Holler if you need a chip or a shoulder  
Or a hand with a loaded gun  
We them holler boys  
Holler if you're needin' somethin' done  
Holler if you need a chip or a shoulder  
And a hand with a loaded gun  
We'll be out that screen door, no shirt on  
Leavin' two blackmarks down a one lane road  
Yeah we, yeah we, yeah we them holler boys
