MAX

MAX - Blueberry Eyes (feat. SUGA of BTS) Damn you look so good  
Laying there wearing nothing but my t-shirt  
Your body's a neighborhood Wanna drive my lips all around it Cause I'm holding my breath  
Wondering when you're gonna wake up in my arms  
Head on my chest  
My heart's beating  
I can't wait to  
Kiss you each morning  
With strawberry skies  
I get so lost in  
Your blueberry eyes  
I'm running through my dreams  
To see you in the light  
Cause I get so lost in  
Your blueberry eyes? ???? ? ? ? ?  
???? ? ? ? ? ? ?  
? ? ? ? ? ? ?

Kiss you each morning  
With strawberry skies  
I get so lost in  
Your blueberry eyes  
I'm running through my dreams  
To see you in the light  
Cause I get so lost in  
Your blueberry eyes
