

# Making Cash Money

## Busy Bee

[Intro: Busy Bee & Crowd]

Hey y'all

I want everybody to throw your hands in the air if you love cold cash money, one time, and everybody repeat after me and say, "Money, Money, Money, Money"

Money, Money, Money, Money

Here we go!

[Chorus]

Bawitdaba da bang da bang diggy diggy diggy

Shake the boogie to the bang bang boogie

Then ya Bawitdaba da bang da bang diggy diggy diggy

Shake the boogie to the bang bang boogie

[Verse 1: Busy Bee]

Right now, y'all, it's time to prepare

For your number one rapper of the year

So just stop what you're doing and listen to me

I'm gonna rap to y'all about making money

[Chorus]

Bawitdaba da bang da bang diggy diggy diggy

Shake the boogie to the bang bang boogie

Then ya Bawitdaba da bang da bang diggy diggy diggy

Shake the boogie to the bang bang boogie

[Verse 2: Busy Bee]

To learn to make money just listen to me

Taking advice from AJ and Vicious Lee

Buy two turn tables and a microphone

And you will never get the girls to ever leave you alone

And if this don't work, I don't know what to say

Because it worked from me, and I'm now on my way

[Bridge]

W-word to my-

A word to my-

W-word to my-

A word to my- y'all

[Verse 3: Busy Bee]

Now a lady I know who's name was Bunny  
Would walk around town spending cold cash money  
Bunny spent money each and every day  
She had it like that since the start of me  
Because her man hit the number, and it must be told  
He ran out of town and left Bunny at home  
He shouldn't have gone out and left her that way  
Because Bunny hit the number the very next day  
She called the Daily News and then they told the Post  
I heard her on the phone, she began to boast  
They hung up the phone and rushed to the scene  
To interview her in that brown limousine  
She used a six door Caddy with the TV and bar  
There was a space antenna at the back of the car  
I watched her tour the streets all through the night  
To make money like her you had to be alright

[Chorus]

Bawitdaba da bang da bang diggy diggy diggy  
Shake the boogie to the bang bang boogie  
Then ya Bawitdaba da bang da bang diggy diggy diggy  
Shake the boogie to the bang bang boogie

[Verse 4: Busy Bee]

Money today is the root to all evil  
I'm telling you the truth not trying to mislead you  
It makes people act in a strange, strange way  
And then they wind up in jail for 20 or 30 days  
The best thing to do is just to cool out  
You have a pocket full of money that's without a doubt  
Because money today has gotten a little hard  
So wake up in the morning and be ready to start  
Now you're riding to work or going to school  
Just do it every day and it'll help you  
Your friends are laughing, joke  
But pay them no mind cause you'll be making money all the time

[Chorus]

Bawitdaba da bang da bang diggy diggy diggy  
Shake the boogie to the bang bang boogie  
Then ya Bawitdaba da bang da bang diggy diggy diggy  
Shake the boogie to the bang bang boogie

[Verse 5: Busy Bee]

Money is funny and that's a fact  
I know the party people who got it like that  
The more money you make ya'll, the easier you sleep  
So when you run into a man don't be cheap  
I try to buy a couple houses and a couple diamond rings

Buy a pretty girl a pallet, you know she can sing

[Bridge: Busy Bee & Crowd]

I'm making money ha, I'm making money ha  
I'm making money ha, keep making cash money!

And you know that!

Party people right there! (Making money)

Young ladies right there! (Making money)

All the party people back there (Making money)

To the young ladies over there (Making money)

Help me out now, somebody, anybody, everybody screeeeaaam!

Everybody say la la la la la la

Of the man that's running first in this money making race

All the way from new york city with the voice of solid gold

So that's how it happend in the middle of may  
I bought me a jet a new place to stay  
The bottle was mine so I gave it up  
Yes a couple of days I ran in some luck  
I found a place where I could rock it twice  
So I'm down with sugarhill and I'm skating on ice  
From north to south you hear it come out my mouth  
From south to north when I rock back and forth  
From west to east just to get a piece  
From east to west cause they heard I'm the best

[Chorus]

Bawitdaba da bang da bang diggy diggy diggy  
Shake the boogie to the bang bang boogie  
Then ya Bawitdaba da bang da bang diggy diggy diggy

One more time ya'll, c'mon ya'll la la la la la la  
C'mon everybody get up with it this time la la la la la la la la la la  
Oh yeah, something good, some money!
