

# Quarter Past Midnight

## Bastille

[Verse 1]

It's a quarter past midnight  
As we cut through the city  
Yeah, yeah, yeah, the streets are getting restless  
Good times bad decisions  
Yeah, yeah, yeah, it's a quarter past midnight  
And the sirens are mending some hearts  
But we're the losers on the back seats  
Singing "Love Will Tear Us Apart"  
It's a quarter past midnight  
Still avoiding tomorrow  
It's a quarter past midnight  
But we're just getting going[Chorus]

We keep on running  
Running through a red light  
Like we're trying to burn the night away  
Away-way, oh, away-way, oh

[Post-Chorus]

This is my favorite part oh  
Help me piece it all together darling  
Before it falls apart oh  
Help me piece it all together[Verse 2]

It's a quarter past midnight  
And the speakers are blowing  
Yeah, yeah, We want the bodies on the billboards  
Not the lives underneath them  
Yeah, yeah, yeah, and now we're crawling up the walls again  
And it's a quarter past the world  
And you said we'd leave this place in dust  
And fall from heaven straight through hell  
We never know what we have  
We never knew what we had

[Chorus]

We keep on running  
Running through a red light  
Like we're trying to burn the night away  
Away-way, oh, away-way, oh  
Why are we always chasing after something  
Like we trying to throw our lives away?  
Away-way, oh, away-way, oh[Post-Chorus]

This is my favorite part oh  
Help me piece it all together darling

Before it falls apart oh  
Help me piece it all together[Bridge]  
(I can't remember, I can't remember  
I can't remember, I can't remember)  
It's a quarter past midnight  
And the secrets are flowing  
Our lips are getting looser  
I don't know what I'm saying  
We never knew what we had  
I never know what I've had[Chorus]  
We keep on running  
Running through a red light  
Like we're trying to burn the night away  
Away-way, oh, away-way, oh  
Why are we always chasing after something  
Like we trying to throw our lives away?  
Away-way, oh, away-way, oh[Post-Chorus]  
This is my favorite part so  
Help me piece it all together darling  
Before it falls apart  
Help me piece it all together
