

Kissing

Bliss

The red light of the sun
Slowly descending
The sky is all I see
It's never ending We could fly
You and I
On a cloud
Kissing, kissing The wind plays with the leaves
The weather turns colder
But as long as we believe
Love doesn't get older We could fly
You and I
On a cloud
Kissing, kissing
On a journey of the heart
There's so much to see
And when the sky is dark
You'll be right here, right here with me Right here with me
Kissing Kissing, kissing
Kissing, kissing A journey of the heart
A journey of the heart
A journey of the heart
A journey of the heart A journey of the heart
A journey of the heart
A journey of the heart
A journey of the heart
A journey of the heart
A journey of the heart
A journey of the heart A journey of the heart
A journey of the heart
A journey of the heart
A journey of the heart Kissing
A journey of the heart
A journey of the heart
Kissing
A journey of the heart
A journey of the heart A journey of the heart
A journey of the heart
A journey of the heart
A journey of the heart A journey of the heart
A journey of the heart
A journey of the heart

A journey of the heartA journey of the heart
A journey of the heart
A journey of the heart
A journey of the heart
