

# Humpty Dumpty

Aimee Mann

Say you were split, you were split in fragments  
And none of the pieces would talk to you  
Wouldn't you want to be who you had been  
Well, baby I want that too  
So better take the keys and drive forever  
Staying won't put these futures back together  
All the perfect drugs and superheroes  
Wouldn't be enough to bring me up to zero  
Baby, you're great, you've been more than patient  
Saying it's not a catastrophe  
But I'm not the girl you once put your faith in  
Just someone who looks like me  
So better take the keys and drive forever  
Staying won't put these futures back together  
All the perfect drugs and superheroes  
Wouldn't be enough to bring me up to zero  
So get out while you can  
Get out while you can  
Baby I'm pouring quicksand  
And sinking is all I had planned  
So better just go  
Oh better take the keys and drive forever  
Staying won't put these futures back together  
All the perfect drugs and superheroes  
Wouldn't be enough to bring me up to zero  
All the kings horses and all the kings men  
Couldn't put baby together again  
All the kings horses and all the kings men  
Couldn't put baby together again
