

# Leave (Get Out) [2018]

JoJo

[Intro]

Oh, yeah  
Uhh, yeah, yeah

[Verse 1]

I've been waiting all day here for you bae  
So won't you come and sit and talk to me  
And tell me how we're gonna be together, always  
Hope you know that when it's late at night  
I hold on to my pillow tight  
And think of how you promised me forever

[Pre-Chorus 1]

(I never thought that anyone) No, no, no, no  
Could make me feel this way, no, no  
(Now that you're here, boy, all I want)  
Is just a chance to say

[Chorus]

Get out (leave!) right now  
It's the end of you and me  
It's too late (now!) and I can't wait for you to be gone  
'Cause I know about her (who?) and I wonder (why?)  
How I bought all the lies  
You said that you would treat me right  
But you were just a waste of time (waste of time)

[Verse 2]

Mmh oh, tell me why you're looking so confused  
When I'm the one who didn't know the truth  
How could you ever be so cold?  
To go behind my back and call my friend  
Well, boy, you must have gone and bumped your head  
Because you left her number on your phone

[Pre-Chorus 2]

(So now after all is said and done)  
Well maybe I'm the one to blame, no  
(To think that you could be the one)

Well, it didn't work out that way

[Chorus]

Get out (leave!) right now (leave right now)  
It's the end of you and me  
It's too late (now!) and I can't wait for you to be gone (now now now)  
'Cause I know about her (who?) and I wonder (why?)  
How I bought all the lies (all the lies that you...)  
You said that you would treat me right (oh, oh)  
But you were just a waste of time (waste of time)

[Bridge]

I wanted you right here with me  
But I have no choice, you've gotta leave  
Because my heart is breakin'  
With every word I'm sayin'  
I gave up everything I had  
On somethin' that just wouldn't last  
And I refuse to cry  
No tears will fall from these eyes  
Ooh, oh  
Get out!

[Chorus]

Get out (leave!) right now  
It's the end of you and me (end of you and me)  
It's too late (now!) and I can't wait for you to be gone (can't wait for you to go)  
'Cause I know about her (who?) and I wonder (why?)  
How I bought all the lies  
You said that you would treat me right (you said you would)  
But you were just a waste of time (waste of time) (no)

[Chorus]

Get out (leave!) right now  
It's the end of you and me (ooh)  
It's too late (now!) and I can't wait for you to be gone (it's too late)  
'Cause I know about her (who?) and I wonder (why?)  
How I bought all the lies  
You said that you would treat me right  
But you were just a waste of time (waste of time)

[Outro]

Get out (leave!)  
Oh, no, no, no, no, no, no, no  
It's too late (now)  
Ooh, ah...  
About her (who? Why?) (Who? And why?)  
Ooh  
You said that you would treat me right (said you would)

But you were just a waste of time (waste of time)
