

# You're Gonna Love Again

**NERVO**

Right to the end, right to the end  
Hearts run right to the end  
Right to the end, right to the end  
Hearts run right to the end  
People come home, you  
Don't need to be scared  
'Cause you gonna love  
You gonna love again  
Hearts run right to the end  
People come home, you  
Don't need to be scared  
'Cause you gonna love  
You gonna love again  
You're gonna love, you're gonna love  
You're gonna love again  
You're gonna love, you're gonna love  
You're gonna love again  
Love again  
Take a chance on a broken heart  
'Cause we're starting again  
We gotta try even if it's hard  
Try, baby, to understand  
To find a rainbow in every storm  
You gotta believe, don't ever doubt  
That you do belong now  
'Cause it started with you  
It started with me  
Hearts run right to the end  
You're gonna love, you're gonna love again  
Love again, love again  
You're gonna love, you're gonna love again  
Hearts run right to the end  
People come home, you  
Don't need to be scared  
'Cause you gonna love  
You gonna love again  
You're gonna love, you're gonna love  
You're gonna love again  
You're gonna love, you're gonna love  
You're gonna love again
