

# As We Lay

Shirley Murdock

[Verse 1:]

It's morning  
And we slept the night away  
It happened  
Now we can't turn back  
The hands of time (oh no)

Yes, we've stolen this moment  
We forgot to face  
One simple fact  
We both belong  
To someone else  
As we slept the night away

[Verse 2:]

It's morning  
Sunlight shines across  
Your sleeping face  
A new day  
Brings reality that  
We must go our separate ways

What a lovely night  
We had (yeah yeah)  
As we shared each other's love  
We forgot about  
All the pain we'd cause  
As we slept the night away

[Hook:]

As we lay  
We forgot about tomorrow  
As we lay (mmhmm, hey hey)

As we lay  
We didn't think about the price  
We'd have to pay  
(Oh no, no no no, no no no, no)

[Verse 3:]

It's morning  
And now it's time for us to say goodbye  
Goodbye, baby  
You're leaving me  
I know you got to hurry home  
To face your wife (whoa)

I would never want to hurt her  
No  
She would never understand  
You belonged to me for  
Just one night  
As we slept the night away

[Bridge:]  
I would never want to hurt her, no  
She would never understand

You belonged to me for  
Just one night  
As we slept the night away

[Repeat Chorus:]

We should have counted up the cost  
But instead we got lost  
In the second  
In the minute  
In the hour

Hey hey, hey  
As we lay  
We forgot about tomorrow  
As we lay  
Whoa

It's morning  
(it's morning)  
(Oo oo)

It's morning  
(whoa)  
It's morning
