

# Take My Breath Away

Mario Winans

From day one you had my heart  
And I would do anything just to be with you  
I can see you feel it too, showin' that you care  
And there's nothin' you won't do, oh baby  
Everyday I find myself holdin' on  
In every way I feel that nothin' can go wrong  
Now that I know that you here to stay  
Girl, you know I love you more and more each day  
Baby, you take my breath away  
And I want you more than anything  
In the whole wide world  
I will do whatever it takes  
Just to have you with me  
'Coz you take my breath away  
Even now I don't regret  
Ever having love for you 'coz you never fail me, yeah  
All I have is just you  
I can't imagine myself ever bein' without you  
Everyday I find myself holdin' on  
In every way I feel that nothin' can go wrong  
Now that I know that you here to stay  
Girl, you know I love you more and more each day  
Baby, you take my breath away  
And I want you more than anything  
In the whole wide world  
I will do whatever it takes  
Just to have you with me  
'Coz you take my breath away  
Baby, you like it when I play for you, oh baby  
Girl, you take my breath away  
Baby, you take my breath away  
And I want you more than anything  
In the whole wide world  
I will do whatever it takes  
Just to have you with me  
'Coz you take my breath away  
Baby, you
