

# Get It Together

702

I don't really wanna stay  
I don't really wanna go  
But I really need to know  
Can we get it together?  
Get it together  
Get it togetherI don't really wanna go  
I don't really wanna stay  
But I really hope and pray  
Can we get it together?  
Get it together  
You don't know the pain that I feel  
You've taken my love for granted  
And you just wanna see it your way, yah  
It's about that time  
I'm gonna tell ya what's on my mind  
(what's on my mind)  
I'm fed up with you not being here with me  
When you know love is all I need  
I don't want to stayI don't really wanna stay  
I don't really wanna go  
But I really need to know  
Can we get it together?  
Get it together  
I don't really wanna go  
I don't really wanna stay  
But I really hope and pray  
Can we get it together?  
Get it together  
Let's get together, babe  
I can't let go  
'Cuz being confused just takes control  
I hope we can start brand new  
'Cuz I don't want to loose you, oh no  
With the love we shared  
Baby it's all so rare  
I'm willing to try and make you see  
That all you need is here in me  
I don't wanna stay  
(I don't wanna stay)  
I don't wanna go  
(I don't wanna go)  
But you gotta let me know

How you feel  
Let me know how you feel  
I don't wanna stay  
I don't wanna go  
But you gotta let me know  
How you feel  
Just how you feel  
I don't really wanna stay  
I don't really wanna go  
But I really need to know  
Can we get it together?  
Get it together  
I don't really wanna go  
I don't really wanna stay  
But I really hope and pray  
Can we get it together?  
Get it together  
See I'm so confused  
I just don't know what to do  
And I don't understand, no  
Ya know I don't wanna stay  
You know I don't wanna go  
Baby, please listen to me  
I don't wanna  
I don't really wanna stay  
I don't really wanna go  
But I really need to know  
Can we get it together?  
Get it together
