

# Don't Let Our Love Start Slippin' Away

Vince Gill

We've been up all night long  
Trying to solve a problem, well, it's almost dawn  
Ain't no time for sleeping if our love is wearing thin  
'Cause I ain't giving up, you ain't giving in. Don't let our love start slipping  
Our love start slipping away  
'Cause the life we've been living  
Gets harder every day  
Don't let our love start slipping  
Our love start slipping away.  
And real love walks, a real thin line  
No communication will kill it every time  
So open up your heart, baby we can work it out  
'Cause we got the kind of love people dream about. Don't let our love start slipping  
Our love start slipping away  
'Cause the life we've been living  
Gets harder every day  
Don't let our love start slipping  
Our love start slipping away. It's past the point of right or wrong  
Let's find a way to just hold on, yeah--- Instrumental ---  
Don't let our love start slipping  
Our love start slipping away  
'Cause the life we've been living  
Gets harder every day  
Don't let our love start slipping  
Our love start slipping away. Don't let our love start slipping  
Our love start slipping away...
