## **Cemetery Drive**

## **My Chemical Romance**

This night Walk the dead In a solitary style and crash the cemetery gatesIn the dress your husband hates Way down Mark the graveWhere the searchlights find us drinking by the mausoleum door And they found you on the bathroom floorI miss you I miss you so far And the collision of your kiss that made it so hard Back home Off the run Singing songs that make you slit your wrists It isn't that much fun Staring down a loaded gun So I won't stop dyingWon't stop lying If you want I'll keep on crying Did you get what you deserve? Is this what you always want me for? I miss you I miss you so far And the collision of your kiss that made it so hard Way downWay down Way downWay down Way down Way down Way down Way down I miss you I miss you so far And the collision of your kiss that made it so hard And well I miss you And well I miss you so far And the collision of your kiss that made it so hard That made it so hard Way down Way down

Way down
