

Make You Fall (feat. CeCe Peniston)

Markus Schulz

I know you got it
going on
But baby listen
my love is strong
I know I've seen
a lot of things
But you ain't seen it like this
I put it on everything
I can make you fall in love
Your face fucked up
And all you thinking of
Is me and all my love
I can make you fall in love
Your face fucked up
And all you thinking of
Is me and all my love
Is me and all my love
Is me and all my love
Is me and all my love
My love, my love...
I can make you fall in love
I can make you fall in love
Feel like I can make you fall in love
Make you fall in love,
in love with me
Feel like I can make you fall in love
Make you fall in love, in love with me
I can make you fall in love
I can make you fall in love
I can make you fall in love
Your face fucked up
And all you thinking of
Is me and all my love
I can make you fall in love
Your face fucked up
And all you thinking of
Is me and all my love
Is me and all my love
Is me and all my love
Is me and all my love
My love, my love...
