

# How to Love

## Lil Wayne

Cut the music up  
A lil' louder  
Yeah You had a lot of crooks tryna steal your heart  
Never really had luck, couldn't never figure out  
How to love, how to love You had a lot of moments that didn't last forever  
Now you in the corner tryna put it together  
How to love, how to love  
For a second you were here, now you over there  
It's hard not to stare, the way you moving your body  
Like you never had a love, never had love  
When you was just a young'un, your looks were so precious  
But now your grown up, so fly it's like a blessing  
But you can't have a man look at you for 5 seconds  
Without you being insecure  
You never credit yourself so when you got older  
It's seems like you came back 10 times over  
Now you're sitting here in this damn corner  
Looking through all your thoughts and looking over your shoulder See you had a lot of crooks  
tryna steal your heart  
Never really had luck, couldn't never figure out  
How to love, how to love See you had a lot of moments that didn't last forever  
Now you in this corner tryna put it together  
How to love, how to love For a second you were here, now you over there  
It's hard not to stare, the way you moving your body  
Like you never had a love, had a love  
Ooohh, you had a lot of dreams that transform to visions  
The fact that you saw the world affected all your decisions  
But it wasn't your fault, wasn't in your intentions  
To be the one here talking to me, be the one listening  
But I admire your poppin' bottles and dippin'  
Just as much as you admire bartending and strippin'  
Baby, so don't be mad, nobody else trippin'  
You see a lot of crooks and the crooks still crook You see you had a lot of crooks tryna steal  
your heart  
Never really had luck, couldn't never figure out  
How to love, how to love See you had a lot of moments that didn't last forever  
Now you in this corner tryna put it together  
How to love, how to love Ooohh, see I just want you to know  
That you deserve the best  
You're beautiful  
You're beautiful  
Yeahh

And I want you to know  
You're far from the usual  
Far from the usual You see you had a lot of crooks tryna steal your heart  
Never really had luck, couldn't never figure out  
How to love, how to love  
See you had a lot of moments that didn't last forever  
Now you in this corner tryna put it together  
How to love, how to love  
See you had a lot of crooks tryna steal your heart  
Never really had luck, couldn't never figure out  
How to love, how to love  
Yeahh, see you had a lot of moments that didn't last forever  
Now you in this corner tryna put it together  
How to love, how to love
