

All My Life

K-Ci & JoJo

Baby baby, baby baby
Baby baby, baby baby
Baby baby, baby baby
Ooh, I'm so glad

[verse 1]

I will never find another lover
Sweeter than you
I will never find another lover
Sweeter than you
And I will never find another lover
More precious than you
Precious than you
Girl you are close to me your like my mother
Close to me ,your like my father
Close to me, your like my sister
Close to me, your like my brother
You are the only one, my everything
And for you this song I sing

[Hook]

And all my life
I prayed for someone like you
And I thank god
That I
That I finally found you
Cause all my life, I prayed for someone like you
And I hope that you do love me too
And I hope that you feel the same way too

[Verse 2]

I said you're all that I'm thinkin' of, baby
Said I promise to never fall in love, with a stranger
Your all I'm thinking of
I praise the Lord above
For sending me your love, I cherish every hug
And I really love you

[Hook]

You're all that I ever known
When you smile, on my face, all I see is a glow
You turned my life around
You picked me up when I was down

You're all that I ever known when you smile my face glows
You picked me up when I was down
You're all that I ever known when you smile my face glows
You picked me up when I was down

And I hope that you feel the same way too
Yes, I pray that you do love me too

[Hook x 3]
