

(Have You Heard the News) Dewey Cox Died

John C. Reilly

Long Black Hearse

Clear Blue Sky

Preacher says his words

Grown Men Cry

Women start to faint

Dark Grey Sky

Simple Wooden Box

Preacher asks Why?

Hey, Have you heard the news?

Dewey Cox Died

Put him in the ground

Start to shovel dirt

Grown men turn away

Can't bear the hurt

Fell Out of a tree

Landed on His head

Rushed him to a hospital

There pronounced dead

Hey, Have you heard the news?

Dewey Cox Died

No, Say it isn't so, Dewey Cox Died!

Flowers Everywhere

Children Cry

Guitar on the ground

God himself asks why

Long Black Hearse

Clear Blue Sky

Preacher Says his Words

Grown Men Cry

Hey Have you heard the news?

Dewey Cox Died

Why?

Hey, Have you heard the news?

Dewey Cox Died

Today!

Dead!
