

Juicy

Doja Cat & Tyga

[Chorus: Doja Cat]

I keep it juicy, juicy, I eat that lunch, uh (Yeah)
She keep that booty, booty, she keep that plump, yeah (Yeah, yeah)
That natural beauty, beauty, yeah, yeah
If you could see it from the front
Wait 'til you see it from the back, back, back, back, back, juicy
(Wait 'til you see it from the—)
Back, back, yeah, back, back, back, juicy
(Wait 'til you see it from the—)
Back, back, back, back, back, juicy
(Wait 'til you see it from the—)
If you could see it from the front
Wait 'til you see it from the back

[Verse 1: Doja Cat]

He like the Doja with the Cat, yeah (Cat, cat, cat)
He like it thick, he like it fat, yeah (Fat, fat, fat)
Like to keep him wantin' more
He ask me, "Doja, where you at, huh?" ("Where you at? Where you at?")
And all them niggas wanna know
How long it take to pull my pants up, mmm, mmm, mmm
Broke a fingernail and then some, mmm
Tryna squeeze into my True Religion denim, mmm, mmm, mmm
Sell it big, don't wanna sell you light (Yeah, I don't wanna sell it)
I don't buy it, where the cellulite? (Yeah, where that, where that at?)
He said the body unbelievable (Yeah)
Can't trust a big butt and a Gemini-i-i-i (Mmm)

[Chorus: Doja Cat]

I keep it juicy, juicy, I eat that lunch, uh (Yeah)
She keep that booty, booty, she keep that plump, yeah (Yeah, yeah)
That natural beauty, beauty, yeah, yeah
If you could see it from the front
Wait 'til you see it from the back, back, back, back, back, juicy
(Wait 'til you see it from the—)
Back, back, yeah, back, back, back, juicy
(Wait 'til you see it from the—)
Back, back, back, back, back, juicy
(Wait 'til you see it from the—)
If you could see it from the front

Wait 'til you see it from the back

[Verse 2: Tyga]

Bring that ass over, Doja, bring it back, back, back (Yeah)
I'm a big dog, tryna eat the kitty cat, cat
I'ma slide in, the way it fit, I can tell we match (Woo)
All about my racks, hella cheese, I don't fuck with rats (No)
Big crib in Hollywood, I don't even act (Yeah)
Come relax, let a nigga tap, hit you on the app (Woo)
Take a lil' *inhale*, with the *cough*, wipe the pain away
Juicy and it's tighter than a virgin, like Madonna say
I love when you give in, I love when you don't (Sometimes, ayy)
Hit me with the threesome, and sometimes you won't (Sometimes)
You told me don't fuck with no bitches you know (Nah)
You got it, yeah, you got it, babe, you bust it on the floor (Ayy, ayy)

[Chorus: Doja Cat & Tyga]

I keep it juicy, juicy, I eat that lunch, uh (Yeah, juicy)
She keep that booty, booty (Yeah), she keep that plump, yeah (Yeah, yeah)
That natural beauty, beauty, yeah, yeah
If you could see it from the front
Wait 'til you see it from the back, back, back, back, back, juicy
(Wait 'til you see it from the—)
Back, back, yeah, back, back, back, juicy
(Wait 'til you see it from the—)
Back, back, back, back, back, juicy
(Wait 'til you see it from the—)
If you could see it from the front (Yeah)
Wait 'til you see it from the back

[Bridge: Doja Cat]

He like it plump, he need that
Need the rump and need the thighs, he eat that
Eat that up, and in the night, he seek that
In the dark, and in the ride, he keep that
Keep it runnin', like it plump, he need that
Need the rump and need the thighs, he eat that
He eat that up and in the night, he seek that
In the dark, and in the ride, he keep that
Keep it runnin'

[Chorus: Doja Cat]

I keep it juicy, juicy, I eat that lunch, uh (Yeah)
She keep that booty, booty, she keep that plump, yeah (Yeah, yeah)
That natural beauty, beauty, yeah, yeah
If you could see it from the front
Wait 'til you see it from the back, back, back, back, back, juicy
(Wait 'til you see it from the—)
Back, back, yeah, back, back, back, juicy

(Wait 'til you see it from the—)
Back, back, back, back, back, juicy
(Wait 'til you see it from the—)
If you could see it from the front
Wait 'til you see it from the back
