

# Picture Perfect

Charity Vance

Ooo... Ooo  
Kissing in the rain  
Walking on the beach  
I can see it now  
Almost happening  
Sneaking out at night  
Living like we're free  
You and I can do anything we please  
You've got the face to fit the frame  
I cannot look away  
Like can't you see  
I'm hypnotized  
We're picture perfect  
Sweet like candy  
I'll be your girl  
Yeah  
I'll be your baby  
Picture perfect  
Barefoot beauty  
You stole my heart  
Just like in a movie  
Got the key to me  
Tell me, tell me  
I'm your darling daisy  
Picture perfect  
Sweet like candy  
I'll be your girl  
Yeah  
I'll be your baby  
... ..  
Spinning me around  
Falling on the ground  
Got to say your voice  
Is my favorite sound  
Counting every star  
Dreaming every dream  
You and I could live out the perfect scene  
You've got the face to fit the frame  
I cannot look away  
Like can't you see  
I'm hypnotized  
We're Picture perfect

Sweet like candy  
I'll be your girl  
yeah  
I'll be your baby

Tell me, tell me  
I'm your darling daisy  
Picture perfect  
Sweet like candy  
I'll be your girl  
yeah  
I'll be your baby  
I saw your face  
In my dream  
You and I Had everything  
A fairytail  
A fantasy  
We could be anything  
I saw your face  
In my dream  
A fairytale  
A fantasy  
We could be anything  
We're picture perfect  
Sweet like candy
