

# Crave

## Tove Lo

I'm coming up out of the dark  
Take out the bullets from my heart  
You are my favorite mistake The one I crave loving to make  
Craving, I'm cravin, I crave you!  
Waiting, I'm waiting to touch you! Whenever, forever I know that  
Still I'm coming back  
Bittersweet, baby!  
Summertime, save me! Party day hazy!  
Oh, baby!  
Craving, I'm cravin, I crave you!  
Bittersweet, baby!  
Save me in the summertime!  
Party day hazy!  
Oh, baby!  
Craving, I'm cravin, I crave...  
You...  
You...  
Come on, buddy we'll figure it out  
Know what my trigger's are about  
Craving, I'm cravin, I crave you!  
Waiting, I'm waiting to touch you!  
Whenever, forever I know that  
Still I'm coming back  
Bittersweet, baby!  
Summertime, save me! Party day hazy!  
Oh, baby! Craving, I'm cravin, I crave you!  
Bittersweet, baby!  
Save me in the summertime!  
Party day hazy!  
Oh, baby!  
Craving, I'm cravin, I crave...  
(Oh, baby...!)  
A bittersweet, baby!  
Summertime, save me!  
Party day hazy!  
Oh, baby!  
Craving, I'm cravin, I crave you!  
Bittersweet, baby!  
Save me in the summertime!  
Holiday hazy!  
Oh, baby!  
Craving, I'm cravin, I crave...

You.
