

# Chilli Peppers (feat. Majid Jordan)

Roy Woods

Oooh

Mister Woods, Mali Maj

Woah, she knows I'm bad, I like her though (I like her though)

She's kinda cute, not kinda though (not kinda though)

Move it a little bit, body is too fit, oh me, oh my

Shawty been too fine, I can tell she makes 'em whine

[?], you don't want, that's all you know

Go deeper in you, I want what your heart knows is there

Get me throwed, since I'm down, I'll get you good

Can't feel for sure, thought this life could let me know

She's down for the low, she'll keep it lowkey (she'll keep it lowkey)

She's down for the low, she'll keep it lowkey (she'll keep it lowkey)

She's down for the low, she'll keep it lowkey (she'll keep it lowkey)

She's down for the low, she'll keep it lowkey (she'll keep it lowkey)

]

She's hot as red hot chili peppers, hot, hot, hot

Going on a Californiacation

She's hot as red hot chili peppers, hot, hot, hot

Going on a Californiacation

She's hot as red hot chili peppers, hot, hot, hot

Going on a Californiacation

She's hot as red hot chili peppers, hot, hot, hot

Going on a Californiacation

She's hot as red hot chili peppers, hot, hot, hot

Going on a Californiacation

Oh, oh, oh, yeah, yeah, yeah, yeah

Up 'til four yesterday, yes-yesterday

You don't know where I been, where I been

Take it slow, this is just another late night episode

This is just another late night episode

Maybe I should go a little more slow

I'm impatient at best, that's all I know-ow

Baby it sounds like you are on a CaliforniacationShe's hot as red hot chili peppers, hot, hot, hot

Going on a Californiacation

She's hot as red hot chili peppers, hot, hot, hot

Going on a Californiacation

She's hot as red hot chili peppers, hot, hot, hot

Going on a Californiacation

She's hot as red hot chili peppers, hot, hot, hot

Going on a Californiacation

She's hot as red hot chili peppers, hot, hot, hot

Going on a Californiacation

Oh, oh, oh, yeah, yeah, yeah, yeah
