Beautiful Lie

Esthero

(Spoken message)I don't want to write another love song
I don't want to open up my eyes
I don't want to see what you have done to me
I don't want to know what's under your disguise
And I don't need to see what's on the inside
Let me enjoy this

'Cause it was all just a beautiful lieNo, lie, oh, oh, lie, oh.

I just want to keep on believing Every little thing you ever said to me All was true

And I want to be sure you adore me too I don't want to know when it ended for you

Yeah, I

I want to be able to sleep at night
I want to hold my head up high
I want to feel like you were always mine
But it was all just a beautiful lie

Beautiful lie

It was all just a wonderful, terrible, wonderful

Why'd you give me, love

All of your love, babe

Just to take it all away

Baby, when I needed you

I, I didn't know, you You'd let me go

And now I feel like I can't breathe

I need you to lie to me, yeahYeah. Yeah, yeah, yeah

Oh, yeah, yeah, yeah! want to be able to sleep at night

I want to hold my head up high

I want to feel like you were always mine

But it was all just a beautiful

Terrible, wonderful, horrible, beautiful lie

And it's so easy to believeI don't want to write

I don't want to write another love song

I don't want to open up my eyes
I don't want to see what you have done to me, to me
I don't want to write another love song
I don't want to open up my eyes
I don't want to see what you have done to me
I don't want to know what's under your disguise
I don't want to write another love song
I don't want to open up my eyes
I don't need to see
I don't need to see what's on the inside
I don't want to write another love song
I don't want to write another love song
I don't want to open up my eyes
Oh, you're beautiful
My eyes, my eyes, my eyes, my eyes
My eyes, my eyes, my eyes, my eyes
