Sweet Melody

Little Mix

Doo-doo, doo-doo-doo-doo
Doo-roo-doo-doo, doo-roo-doo-roo
Doo-doo, doo-doo-doo-doo
Doo-roo-doo-doo, doo-doo-doo-dooIn a whole other life, there was this boy that I knew
He made me feel like a woman, we were young and still in fools
Anyway, he was in a band, full of songs about me
I wasn't crazy 'bout the words, but the melodies were sweet
Went something likeDoo-doo, doo-doo-doo-doo
Doo-roo-doo-doo, doo-roo-doo-roo
Doo-doo, doo-doo-doo-doo
Doo-roo-doo-doo, doo-doo-doo-doo
Every time we go dancing, I see his straying eyes
Gave him too many chances, push my gears too many times
Anyway, he start acting dumb, then I'll be on my way to leave
But I stop in the tracks, when I heard this melody
And it went likeDoo-doo, doo-doo-doo-doo
Doo-roo-doo-doo, doo-roo-doo-roo
Doo-doo, doo-doo-doo-doo
Doo-roo-doo-doo, doo-doo-doo-dooHe used to sing me sweet melodies
He played me, made me believe it was real love
Sing me sweet melodies
But the day he get me wrong
The song couldn't go on and on
He used to sing me sweet melodies
He played me, made me believe it was real love
Sing me sweet melodies
But the day he get me wrong
The song couldn't go on and on and on
He would lie, he would cheat, over syncopated beats
I was just his tiny dancer, he had control of my feet
Yes, when he came along, that's when I lost the groove
There was no song in the world to sing along or make me move
Something that went likeDoo-doo, doo-doo-doo-doo
Doo-roo-doo-doo, doo-roo-doo-roo
Doo-doo, doo-doo-doo-doo
Doo-roo-doo-doo, doo-doo-doo-dooHe used to sing me sweet melodies
He played me, made me believe it was real love
Sing me sweet melodies
But the day he get me wrong
The song couldn't go on and on (Couldn't go on)
He used to sing me sweet melodies (Sweet melodies)
He played me, made me believe it was real love

Sing me sweet melodies
But the day he get me wrong
The song couldn't go on and on and onDoo-doo, doo-doo-doo-doo
Doo-roo-doo-doo, doo-roo-doo-roo
Doo-doo, doo-doo-doo-doo
Doo-roo-doo-doo, doo-doo-doo-dooOn and on
On and onHe used to sing me sweet melodies
He played me, made me believe it was real love
Sing me sweet melodies
But the day he get me wrong (Me wrong)
The song couldn't go on and on and on
(On and on, and on, yeah)He used to sing me sweet melodies (Melodies, yeah)
He played me, made me believe it was real love
Sing me sweet melodies
But the day he get me wrong
The song couldn't go on and on and on
Sing me sweet melodies
He played me, made me believe it was real love
Sing me sweet melodies
But the day he get me wrong
The song couldn't go on and on and on, no
