

Respect That You Earn (feat. Ne-Yo & Wale)

Yo Gotti

I call it thirst drop, Shawty, oh!
And you know, they [?]
For me personal that feels like [?] to respect
I ain't wrong for thinking that as I am wrong for thinking this! On me to buy you a [?] but is you
worthy?
Nah, I ain't perfect!
And I just followed you on Instagram
Are you really into women and that you get around?
Now I ain't judging, I'm just asking if that's fair to say
But either way, it's my opinion, you Know Give Or Take!
I told this model chick,
The girls look up to you and the things you do
Every nigga you work with, you're screw,
So you know When She grow Up You Know What She Gone do, she like
You don't know me, you don't pay my bills
You don't know my struggle,
Like that shit real, but it is what it is.
But I know you know, I know what's real
I know your worth, I know that purse
Ten bandz, Shawty!
You can't pay your bills, you're [?]
I will give you the respect that you earn, that you earn
What you make you do, that's what I'm gonna do to you!
And I'm gonna give you the respect that you earn, that you earn
Oh, what you make you do, that's what I'm gonna do to you!
Give you the respect you earn, that you earn!
Uh, I kiss on your neck
Do you wanna get out of this?
Would you feel disrespected
Ever said you're fly as shit?
Wow, have I called you my bitch
When I'm with my partners eating?
As a badge of honor or just be like no other,
Don't call me out at my momma's given.
Name sacred, she whispers mine when I'm in her thighs
And I leave her inner feelings, cause I never leave her dry!
Some [?] lying to her is elevate
She know this [?] but I still give her time.
I try follow her, everybody want her thing,
Worried about none if she gonna work that body!
And I wanna follow her, though my eyes still on her [?]
I'm still [?] call her first trap Shawty!

I will give you the respect that you earn, that you earn
What you make you do, that's what I'm gonna do to you!
Girl, I'm gonna give you the respect that you earn, that you earn
Oh, what you make you do, that's what I'm gonna do to you!
Give you the respect you earn, that you earn!
She lives for the night life, but that's alright
But she wants to be treated like somebody's wife.
But you can't be table hopping in a club trying to drink free
Girl, come up to my table trying to stand next to me!
Oh no, oh no, oh no
Girl, I'm gonna give you the respect that you earn, that you earn
What you make you do, that's what I'm gonna do to you!
Girl, I'm gonna give you the respect that you earn, that you earn
What you make you do, that's what I'm gonna do to you!
Girl, I'm gonna give you the respect that you earn, that you earn
What you make you do, that's what I'm gonna do to you!
And I'm gonna give you the respect that you earn, that you earn
What you make you do, that's what I'm gonna do to you!
Give you the respect you earn!
