

Goldmine

Gabby Barrett

[Verse 1]

I was a girl in the world all alone
Never gave up lookin' for ya
Turned every?rock?and I've rolled?every stone
From Tennessee to California

[Pre-Chorus]

Took a?chance on the floor
In mile-high high-hell shoes
Then you walked through?the?door
And?I stumbled into?you

[Chorus]

Boy, you're a?goldmine, goldmine
And I'm diggin' on ya, goldmine
An endless supply of your love, oh my god
If your kisses were riches, then you've hit the jackpot

[Verse 2]

You got the Saturday night Midas touch
Stand next to you and I'm shinin'
Everyone here knows that I'm so in love
You got this girl sweatin' diamonds

[Pre-Chorus]

In your arms, in the dark
In the silver of the moon
Tell me what did I do
To land a man like you?

[Chorus]

Boy, you're a goldmine, goldmine
And I'm diggin' on ya, goldmine
An endless supply of your love, oh my god
If your kisses were riches, then you've hit the jackpot

[Post-Chorus]

Hit the jackpot, hit the jackpot
You're a goldmine, baby

[Bridge]

Gold, gold, goldmine
Gold, gold, goldmine (Yeah, I've been diggin' on ya)

Gold, gold, goldmine
Gold, gold, yeah

[Chorus]

Boy, you're a goldmine, goldmine
And I'm diggin' on ya, goldmine
An endless supply of your love, oh my god
If your kisses were riches, then you've hit the jackpot

[Post-Chorus]

Goldmine, yeah, yeah, ow
