

# Hey (feat. 3OH!3)

Lil Jon

Drinks up high every time I hit the party  
Shots, shots, shots, shots, 'cause it's time to get retarded  
Everybody, everybody grab a motherfucking cup  
And drink that shit 'til you get fucked up Shake that ass like it's your birthday  
Stay out all night like tomorrow ain't a work day  
Let's get it crunk, let's get drunk  
Let's get buck-ass wild, tear it up Turn the lights down low and let the DJ go  
Until the speakers blow  
(Stay up 'til the break of dawn)  
Take a sip of Jack, she's with a sip of that  
There ain't no turnin' back  
But hey, I don't care  
Wherever there's a party, I'm the first one with a drink in the air  
We can share, 'cause when we finish this one  
There will be another bottle right here Bottles in the air, pour me another one  
Who believe in havin' sex? I'm tryin' to get me some  
Work it nice and slow, when the bass get low  
Jump up on the table and lose control Fucked up, fucked up, wasted, wasted  
Go crazy, get shit-faced  
Let's get it crunk, let's get drunk  
Let's get buck-ass wild, tear it up When the bass is low, you work it nice and slow  
You let your body go  
(Shake it 'til the break of dawn)  
We can take a shot of anything they got  
Dance on the tabletop  
But hey, I don't care  
Wherever there's a party, I'm the first one with a drink in the air  
We can share, 'cause when we finish this one  
There will be another bottle right here We don't want this night to end  
We won't sleep, then we'll do it again  
We don't want this night to end  
We won't sleep, then we'll do it again Pour me another one, pour me another one, pour me  
another one  
Pour me another one, pour me another one, pour me another one  
'Cause when we finish this one  
There will be another bottle right here
