

# A Boy Brushed Red Living In Black and White

## Underoath

[Intro: Spencer Chamberlain]

Can you feel your heartbeat racing?

Can you taste the fear in her sweat?

You've done this wrong

It's too far gone, these sheets tell of regret

I admit that I'm just a fool for you

I am just a fool for you

[Interlude: Spencer Chamberlain]

Here is where we both go wrong

[Verse 1: Spencer Chamberlain, Aaron Gillespie]

Tonight's your last chance to

Do exactly what you want to

And this could be my night

This is what makes me feel alive, makes you feel alive

Here is where we both go wrong

So sign me up and toss this key

'Cause for now we're living

[Pre-Chorus: Spencer Chamberlain]

In this moment that we both ignore the truth

It's all over, it's all over

I feel your heart against mine

So take a breath and close your eyes, eyes

[Chorus: Spencer Chamberlain, Aaron Gillespie]

Your lungs have failed and they've both stopped breathing

My heart is dead, it's way past beating

Something has gone terribly wrong

I'm scared, you're scared, we're scared of this

I never thought we'd make it out alive

I never told you, but it's all in your goodbyes

It's all in your goodbyes

[Verse 2: Spencer Chamberlain, Aaron Gillespie]

Well, look who's dying now

Slit wrists sleeping with the girl next door

I always knew you were such a sucker for that

It doesn't matter, what you say

You never mattered anyway

I never mattered anyway

[Pre-Chorus: Spencer Chamberlain]

In this moment that we both ignore the truth

It's all over, it's all over  
I feel your heart against mine  
So take a breath and close your eyes, eyes

[Chorus: Spencer Chamberlain, Aaron Gillespie]  
Your lungs have failed and they've both stopped breathing  
My heart is dead, it's way past beating  
Something has gone terribly wrong  
I'm scared, you're scared, we're scared of this  
I never thought we'd make it out alive  
I never told you, but it's all in your goodbyes  
It's all in your goodbyes

[Bridge: Spencer Chamberlain]  
Don't shake, I hate to see you tremble  
Trembling, you've lost your touch  
Haven't you?  
I'm so addicted  
So addicted

[Chorus: Spencer Chamberlain, Aaron Gillespie]  
Your lungs have failed and they've both stopped breathing  
My heart is dead, it's way past beating  
Something has gone terribly wrong  
Gone wrong  
Your lungs have failed and they've both stopped breathing  
My heart is dead, it's way past beating  
Something has gone terribly wrong  
I'm scared, you're scared, we're scared of this  
I never thought we'd make it out alive  
I never told you, but it's all in your goodbyes  
It's all in your goodbyes

[Outro: Spencer Chamberlain]  
I never thought we'd make it out alive  
I never thought we'd make it out alive  
I never thought we'd make it out alive  
It's all in your goodbyes
