

We Make It Bounce (feat. Major Lazer & Stylo G)

Dillon Francis

Me love when you roll it, oh ma ma ma ma
So make me control it, oh na na na na
When she a back it up and a look pon me
And a eye contact me a pray
Move up ya body, ay gal When you make it bounce, bounce, bounce
Gal make it bounce, bounce, bounce
While you make it bounce, bounce, bounce
Me say gal make it bounce, bounce, bounce
When you make it bounce, bounce, bounce
Gal make it bounce, bounce, bounce
While you make it bounce, bounce, bounce
Me say gal make it bounce, bounce, bounce We make it bounce Me love when you roll it, oh ma
ma ma ma
So make me control it, oh na na na na
When she a back it up and a look pon me
And a eye contact me a pray
Move up ya body, ay gal When you make it bounce, bounce, bounce
Gal make it bounce, bounce, bounce
While you make it bounce, bounce, bounce
Me say gal make it bounce, bounce, bounce
When you make it bounce, bounce, bounce
Gal make it bounce, bounce, bounce
While you make it bounce, bounce, bounce
Me say gal make it bounce, bounce, bounce Make it bounce up, make it bounce up, make it
bounce up
We make it bounce
