Yo Tory!
I hit that corner and I'm bending y'know
She won't fuck unless penny y'know
'Cause I'm whipping that white girl, Kylie Jenner y'know
Put it on that flight and I just send it y'know
I can't get your right, 5 bands for the night
Baby, spend it on what you like, oh yeahh
Drip, dripping on the side , big sippin [?]
Thick bitches wanna ride, oh yeahh
Yeah, and I might just fuck the baddest bitch all in the city, yeah
You was tryna fuck, speak up, 'cause I ain't politicing, yeah
You all up in my condo ready to bust it and you brought it back
And if you ain't and was ready to bust it, why your brought it there
Dripped up, dripped up, dripped out
She gon' bust it at the Brickell penthouse
Said it ain't the 90's, but I put it all in your mouth

And it's hard to fit it all in your house with these
[Pre-Chorus: Tory Lanez]
Stacks all on me, ayy
Big drip on me, ayy
