

Worldwide Party

JoJo Siwa

[Chorus]

Everybody from the east to the west coast
Everybody from the north to the south pole
Shout it out from wherever you are
One heart, one beat, worldwide party!

[Post-Chorus]

Oh, oh, it's a worldwide party
Oh, oh, and we're just getting started
Oh, oh, it's a worldwide party
When we get together, it's a, it's a party

[Verse 1]

Hello, konnichiwa
Hola, cómo estás
Shalom, marhaba
Ban-gab-seub-ni-da!
N? h?o, how ya doin'?
Jambo, keep it movin'
Aloha-waii style
Come on, nama-stay a while

[Pre-Chorus]

I know what you're sayin'
Don't need to explain it
We all speak one language
When we burn it down, down, down on the floor

[Chorus]

Everybody from the east to the west coast
Everybody from the north to the south pole
Shout it out from wherever you are
One heart, one beat, worldwide party!

[Post-Chorus]

Oh, oh, it's a worldwide party
Oh, oh, and we're just getting started
Oh, oh, it's a worldwide party
When we get together, it's a, it's a party

[Verse 2]

Australia to Japan
South Africa to France
Brazil and South Korea
Wanna come and see ya! (Hey!)
We'll spin around the globe
And knock on every door
Together we'll go places
That we've never been before!

[Pre-Chorus]

I know what you're sayin'
Don't need to explain it
We all speak one language
When we burn it down, down, down on the floor

[Chorus]

Everybody from the east to the west coast
Everybody from the north to the south pole
Shout it out from wherever you are
One heart, one beat, worldwide party!

[Post-Chorus]

Oh, oh, it's a worldwide party
Oh, oh, and we're just getting started
Oh, oh, it's a worldwide party
When we get together, it's a, it's a party

[Bridge]

La la, la la la la
La la, la la la la
La la, la la la la
(???, it's party time!)

[Pre-Chorus]

I know what you're sayin'
Don't need to explain it
We all speak one language
When we burn it down, down, down on the floor
(Yeah! Everybody sing it now!)

[Chorus]

Everybody from the east to the west coast
Everybody from the north to the south pole
Shout it out from wherever you are
One heart, one beat, worldwide party!

[Post-Chorus]

Oh, oh, it's a worldwide party

Oh, oh, and we're just getting started
Oh, oh, it's a worldwide party
When we get together, it's a, it's a party

[Outro]

La la, la la la la
La la, la la la la
La la, la la la la
One heart, one beat, worldwide party!
