

# Summer Girl

Jessica Andrews

I drive an Army Jeep  
My bumper sticker reads  
Drink 'til he's cute  
That's what I'm gonna do  
Ain't got no serious thing  
Don't wear a diamond ring  
I got a new tattoo  
I think you'll like the view  
And in my mind  
The sun shines  
All the time

Chorus:

'Cause I'm just a summer girl  
I wear my flip flops  
When I let my hair down  
That's when the party starts  
Who needs a boyfriend  
I got my girl friends  
When we get together  
The summer never ends

Yeah yeah, oh oh oh

Tanks tops and cutoff jeans

Bikinis and belly rings

We'll make that scene

When the DJ plays Dancin' Queen

Fellas, lay your money down

We'll let'ya buy a round

Don't push your luck

Don't get more than your hopes up

In my world

Day or night

Rain or shine

'Cause I'm just a summer girl

I wear my flip flops

When I let my hair down

That's when the party starts

The party never stops

Who needs a boyfriend

I got my girl friends

When we get together

The summer never ends

Everybody needs a little bit of sunshine

Everybody needs time to unwind

Everybody's got to have a good time

I'm just a summer girl

Everybody get up on your feet

Everybody got to shake your body

Everybody got a right to be free

I'm just a summer girl

Oh, oh, oh, oh

Oh, oh, oh, oh

I'm just a summer girl

I wear my flip flops

When I let my hair down

The party never stops

Who needs a boyfriend

I got my girl friends

When we get together

The summer never ends

Yeah yeah, oh oh oh

I'm just a summer girl

Oh, oh, oh, oh

Oh, oh, oh, oh

Everybody needs a little bit of sunshine

Everybody needs time to unwind  
Everybody's got to have a good time

I'm just a summer girl

Everybody get up on your feet  
Everybody got to shake your body  
Everybody got a right to be free

I'm just a summer girl
