

Summer Rain

K'Jon

Feels good, you see, i was stranded, but you came and became my everything
but im not used to this, call it love sick
but im loving this
so beautiful and painful
summer rain
Have you ever loved someone so much that deep down it hurts
cause im sick to my stomach
i got _____
how could you do this to me baby
how could i let your loving take over me, simply controlling me; suddenly
it feels like summer rain running through my veins i cant ease the pain i gotta feed it _____
it feels like summer rain running through my veins i cant ease the pain i gotta feed it _____
i get a chill up and down my spine ever you need ____
and i dont know whats come over me
think im coming down with something deadly
and maybe your love for me is more than i could ever dream, you make a dream a reality, so
heavenly
i want you to stay here cause where your _____
i hear you calling me what has come over me feels like you _____
chours (2x)
i can hear you call me, while the rain is falling all over me but the sun is shining my
temperature is rising
i hear you callin me it feels like summer rain
(ohhhhhh)
(4x) summer rain
i can hear you calling while the rain is falling, girl my _____
feels like a summer rain
(ohhh)
(feelssss)
chorus
