

# Jesus and Jack Daniels

Justin Moore

[Verse 1]

Mama put brother on the prayer list  
When he got caught smoking that pot  
Daddy found out, first thing he grabbed  
And he whipped him with a zebco ruck  
When we messed up she'd fill us up  
With the scripture and a baptist hymn  
And she prayed we'd be a little more like her  
And whole lotta less like him[Chorus]  
Mama loved Jesus, daddy loved Jack Daniels  
She was [] heaven, he was [all under] under seven  
Between the two of 'em wasn't nothing they couldn't handle  
Mama loved Jesus, daddy loved Jack Daniels

[Verse 2]

He hated how she never had an old []  
She hated how he had too much  
I got a little bit from both of them  
A little Bible and a little []  
I [] up, turned it out, smack [that] in-between  
His taste for Lynchburg and a grease of John 3:16[Chorus]  
Mama loved Jesus, daddy loved Jack Daniels  
She was [] heaven, he was [all under] under seven  
Between the two of 'em wasn't nothing they couldn't handle  
Mama loved Jesus, daddy loved Jack Daniels[Bridge]  
I'm a little hell yeah, I'm a little hallelujah  
There's [] I might sit down next to ya  
[Chorus]  
Mama loved Jesus, daddy loved Jack Daniels  
She was [] heaven, he was [all under] under seven  
Between the two of 'em wasn't nothing they couldn't handle  
Mama loved Jesus, daddy loved Jack Daniels
