

# Trade Hearts (feat. Julia Michaels)

Jason Derulo

You say I don't have any time  
To try and keep you satisfied  
I call you crazy all the time  
You say I'm so damn difficult  
I save it with 'You're beautiful'  
You're tired of hearing the same lines So I cry, cry  
And you don't know why, why So I wish I could trade hearts with you  
So I can feel the same way you do  
You do Hey can you teach me cynical  
I hope it's not too difficult  
Don't tell me I'm incapable  
'Cause I wanna scream the way you scream  
I wanna bleed the way you bleed  
But you only get half of me  
So you cry  
Oh yeah you cry  
And I don't know why, why So I wish I could trade hearts with you  
So I can feel the same way you do  
'Cause there's some things you just don't understand  
Like how hard a woman loves a man  
So I wish I could trade hearts with you, with you Touch me  
Till I feel your love on mine  
Oh touch me, love me, now  
Like it's me that's crying  
Touch me  
Till I feel your love on mine, oh  
Baby I swear that I'll try  
So I wish I could trade hearts with you  
So I can feel the same way you do  
'Cause there's some things you just don't understand  
Like how hard a woman loves a man  
Oh I wish I could trade hearts with you  
With you
