

# Miss It

Yung Bleu

Intro

-For the last time yeahhh, yeahhh, verse

Im sitting here reminiscing now why we kissing baby, I gave you top of the line, I know you miss it baby.

I got a lot on my mind why don't you listen baby?

If you can turn back the time you would've listened baby.

You would've listened to the words I swear, yo shit would be out in the curve I swear, I swear to God you had some nerve I swear, but that's for listening to them birds out there, I put up with your bullshit for the last time, who would of thought that we were fucking for the last time (it was the last timmmeee) it was the last time, who would of thought that we were fucking was the last time I got this shit yeah I got problems with commitment baby,

I apologized to you I should have listened baby, I wasn't in love

with them hoes, I was just pimping baby, I knew my part knew my role I wasn't slipping baby, I regretted you know I do nobody perfect, you stick(?) because your worth it, you where here

when I needed you or was you (?) say you love me you say

you trapping now you (?) after time I'm at the studio writing

verses, tryna get away from this drama now I'm (?) now you

on my social media and you lurking, you wanna be my detective now be my girlfriend

(girlfriend), I'm so good of a nigga to deserve this, grab

my key to the (?) now I'm swerving, I'm too good of a nigga,

to deserve this, Yeah, yeah, yeah, yeahhh

Im sitting here reminiscing now why we kissing baby, I gave you top of the line, I know you miss it baby.

I got a lot on my mind why don't you listen baby?

If you can turn back the time you would've listened baby.

You would've listened to the words I swear, yo shit would be out in the curve I swear, I swear to God you had some nerve I swear, but that's for listening to them birds out there, I put up with your bullshit for the last time, who would of thought that we were fucking for the last time (it was the last timmmeee) it was the last time, who would of thought that we were fucking was

the last time Love me like no other, you don't need no one,

All them bitches hating, don't believe no one, Love me like no other, you don't need no one, all them bitches hating, don't believe need no one,

I know your game, I know your game, I know your game,

I know your game, it ain't the same, it ain't the same,

baby say my name, baby say my name

I want to take you way out to the islands baby, I wanna lick you down

and have you smiling baby, girl you know when

we on that drank we wilding baby, Ima take take you

on a flight let me be your pilot baby,

Im sitting here reminiscing now why we kissing baby,

I gave you top of the line, I know you miss it baby.

I got alot on my mind why don't you listen baby?

If you can turn back the time you would've listened baby.

You would've listened to the words I swear, yo shit wouldn't be out in the curve I swear, I swear to God you had some nerve I swear, but that's for listening to them birds out there, I put up with your bullshit for the last time, who would of thought that we were fucking for the last time (it was the last timmmeee) it was the last time, who would of thought that we were fucking was the last time
