

I Think I'm In Love With You

Jessica Simpson

[Intro]

Yeah, yeah, yeah

Oh-oh

Oh-oh-oh

[Verse 1]

Every time you're near, baby

I get kinda crazy in my head for you

I don't know what to do

And oh baby

I get kinda shaky when they mention you

I just lose my cool

[Pre-Chorus]

My friends tell me

Something has come over me

And I think I know what it is

I think I'm in love

[Chorus]

Boy, I think that I'm in love with you

Got me doin' silly things when it comes to you (In love)

Boy, I think that I'm in love with you (Boy, I think I'm in love)

I've been telling all my friends what I feel for you

[Verse 2]

Just the other night, baby

I saw you hanging

You were with your crew, I was with mine too

You took me by surprise

When you turned and looked me in my eyes

Boy, you really blew my mind

[Pre-Chorus 2]

I don't know what's gotten into me

But I kinda think I know what it is

I think I'm in love

[Chorus]

Boy, I think that I'm in love with you (In love)

Got me doin' silly things when it comes to you (I'm in love)
Boy, I think that I'm in love with you (I'm in love)
I've been telling all my friends what I feel for you
Boy, I think that I'm in love with you
Got me telling all my friends what I feel for you

[Bridge]

Something strange has come over me
Got me going out of my mind
Never met a guy like you before
You make me feel special inside
I think I'm in love

[Chorus until Fade]

Boy, I think that I'm in love with you (Oh yeah)
Got me doin' silly things when it comes to you (I think I'm in love)
Boy, I think that I'm in love with you (In love with you)
I've been telling all my friends what I feel for you
(Feel for you, ah-ah)
Boy, I think that I'm in love with you (Ah-ah, in love with you)
Got me doin' silly things when it comes to you
(Goin' out of my mind, boy)
Boy, I think that I'm in love with you (I think I'm in love)
I've been telling all my friends what I feel for you
Baby, every time you call my name
Boy, I think that I'm in love with you
(You drivin' me insane)
Got me doin' silly things when it comes to you
(I don't know what to do)
Boy, I think that I'm in love with you
(Never met a guy like you)
I've been telling all my friends what I feel for you
