

# On My Own

Lecrae & Leon Bridges

[Hook: Leon Bridges]

I've come a long way  
From a very hard place  
It's been a hard race  
But somehow I found my way home  
I've walked a long road  
To where only God knows  
But when the trumpet blows you know  
I did it all on my own

[Post-Hook]

Oh-oh-oh-oh  
Ohhhhhh  
Oh-oh-oh-oh  
Ohhhhhh

[Verse 1: Lecrae]

I've been pushing hard  
I've been praying harder  
Only Heaven can help me  
They took my earthly father  
Martyred and promised me death  
Then walked me into my grave  
I'd rather die a free man then live on Earth a slave  
I'm fighting for people they put in chains  
They stripped our heritage, they took our names  
Put our women to shame  
Whipped us and beat us, mislead us  
But they can't take our passion  
Take my body but my soul won't fit inside your casket

[Bridge: Leon Bridges]

Forget what I said, forget what I did  
I did what I had to do and I'd do it all again  
And if you're going through hell  
Keep it going, my baby promise that Heaven is near

[Hook: Leon Bridges]

I've come a long way  
From a very hard place

It's been a hard race  
But somehow I found my way home  
I've walked a long road  
To where only God knows  
But when the trumpet blows you know  
I did it all on my own

[Post-Hook]  
Oh-oh-oh-oh  
Ohhhhhh  
Oh-oh-oh-oh  
Ohhhhhh

[Verse 2: Lecrae]  
Taken from Africa  
Treated like animals  
Culturally denigrated  
Broke up our families  
Prison of false religion, the same God you lied on  
The same God I rely on, I'ma strive on  
Alone just a small tribe  
Fought for truth for y'all, died  
Martyrs live forever so  
Out the depths we all rise  
Die for a freedom that I'll never see  
I pray y'all live it to the fullest for my legacy  
Let's go

[Bridge: Leon Bridges]  
Forget what I said, forget what I did  
I did what I had to do and I'd do it all again  
And if you're going through hell  
Keep it going, my baby promise that Heaven is near

[Hook: Leon Bridges]  
I've come a long way  
From a very hard place  
It's been a hard race  
But somehow I found my way home  
I've walked a long road  
To where only God knows  
But when the trumpet blows you know  
I did it all on my own

[Outro]  
Oh-oh-oh-oh  
Ohhhhhh  
I did it all on my own  
Oh-oh-oh-oh

Ohhhhhh  
I did it all on my own
