

Imagine

Pentatonix

Imagine there's no Heaven, it's easy if you try
No Hell below us, above us only skyImagine all the people living for todayImagine there's no
countries, it isn't hard to do
Nothing to kill or die for, no and no religion too, ohImagine all the people living life in
peaceYou, you may say I'm a dreamer (Dreamer)
But I'm not the only one (Not the only one)
I hope someday you'll join us
And the world will be as one
Imagine no possessions, I wonder if you can
No need for greed or hunger, a brotherhood of manImagine all the people sharing all the
worldYou may say I'm a dreamer (Dreamer)
But I'm not the only one (Not the only one)
I hope someday you'll join us
And the world will live as oneLive as one, will live as one
Live as one, live as one
Will live as one, as one
You may say I'm a dreamer
But I'm not the only one (Not the only one)
I hope someday you'll join us
And the world will live as one
