

# Somebody to Love

Justin Bieber

For you, I'd write a symphony  
I'd tell the violin  
It's time to sink or swim  
Watch them play for ya  
For you, I'd be  
Running a thousand miles  
Just to get to where you are  
Step to the beat of my heart  
I don't need a whole lot  
But for I admit I  
I'd rather give you the world  
Or we can share mine  
I know I won't be the first one  
Giving you all this attention  
Baby listen  
I just need somebody to love  
I, I don't need too much  
Just somebody to love  
Somebody to love  
I don't need anything else, I promise, girl, I swear  
I just need somebody to love  
I need somebody  
I, I need somebody  
I need somebody  
I, I need somebody  
Every day  
I bring the sun around  
I sweep away the clouds  
Smile for me  
I would take  
Every seconds, every single time  
Spend it like my last dime  
Step to the beat of my hear  
I don't need a whole lot  
But for you I admit I  
I rather give you the world  
Or we can share mine  
I know I won't be the first one  
Givin' you all this attention  
Baby listen  
I just need somebody to love  
I, I don't need to much, just somebody to love

Somebody to love  
I don't need nothing else, I promise, girl, I swear  
I just need somebody to love  
I need somebody  
I, I need somebody  
I need somebody  
I, I need somebody to love  
And you can have it all  
Anything you want  
I can bring; give you the finer things, yeah  
But what I really want  
I can't find cause  
Money can't find me  
Somebody to love (oh oh)  
Find me somebody to love  
I need somebody to love  
I, I don't need too much  
Just somebody to love  
Somebody to love  
I don't need nothing else, I promise, girl, I swear  
I just need somebody to love  
I need somebody  
I, I need somebody  
I need somebody  
I, I need somebody  
Somebody to love  
I need somebody  
I, I need somebody  
I need somebody  
I, I need somebody  
I need somebody  
I, I need somebody  
I need somebody  
I, I need somebody  
I need somebody  
I, I need somebody  
I need somebody to love  
To love, to love  
Is she out there I just need somebody to love
