

# Are You Ready?

## Creed

Hey Mr. Seeker  
Hold on to this advice  
If you can seek then you will find Don't want to follow  
Down roads been walked before  
So hard to find unopened doors Are you ready?  
Are you ready?  
For what's to come Oh, I said  
"Are you ready?  
Are you ready?  
For what's to come"  
Hey Mr. Hero  
Walking a thin, fine line  
Under the microscope of life Remember your roots, my friend  
They're right down below  
'Cause heroes come and heroes go Are you ready?  
Are you ready?  
For what's to come Oh, I said  
"Are you ready?  
Are you ready?  
For what's to come" Ten, nine, eight, seven  
Six, five, four, three, two, one  
Countdown to the change in life  
That's soon to come  
Ten, nine, eight, seven  
Six, five, four, three, two, one  
Countdown to the change in life  
That's soon to come Your life has just begun  
Life has just begun  
Life has just begun  
Life has just begun Are you ready?  
Are you ready?  
For what's to come Oh, I said  
"Are you ready?  
Are you ready?  
For what's to come"  
Oh, I said  
"Are you ready?  
Are you ready?  
For what's to come"  
Your life has just begun  
Life has just begun  
Life has just begun

Life has just begun
