

What a Difference a Day Makes

Jamie Cullum

What a difference a day made
24 little hours
Bought the sun, and the flowers
Where there used to be rain

My yesterday was blue, dear
Today I'm a part of you, dear
My lonely nights are through, dear
Since you said you were mine

And oh, what a difference a day made
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss, that thrilling kiss
It's heaven when you, find romance, on your menu
What a difference a day made
And the difference is you
Is you

My yesterday was blue, dear
Today I'm a part of you, dear
My lonely nights are through, dear
Since you said you were mine

And oh, what a difference a day made
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss, that thrilling kiss
It's heaven when you, find romance, on your menu
What a difference a day made
And the difference is you
Is you
Is you
