

Speak

Myron Butler

I shall have -what I decree
Yes, I believe it belongs to me. Say one more believe it, say it

So, I'm going to speak into the atmosphere
Whatever God has decree to you speak into
Speak into the atmosphere
Lay your hands on yourself this time

I shall have -what I decree
Yes, I believe it belongs to me. Speak with your mouth I

So, I'm going to speak into the atmosphere
You got to open up your mouth & speak into
Speak into the atmosphere
But you got to believe it in your heart & in your spirit. Speak into the atmosphere

Speak into the atmosphere
Just walk around your house & begin to speak it speak it speak it speak into
Speak into the atmosphere
Whatever it is - Just speak it

Speak it Declare it It's Mine Healing -Deliverance-It is mine -it is- Say Yeah

Yeah Do you Believe it-Do you receive it-You shall have it
You shall... have it.-You shall... You Shall

Speak Over your home -over your finances-over your health you shall... you shall...

Speak into the atmosphere
Speak into the atmosphere

I shall have -what I decree
Yes, I believe it belongs to me

So, I'm going to speak into the atmosphere
All over the house speak it
Speak into the atmosphere
Right where you are speak into

Speak into the atmosphere
