

Theme of Foxy Brown

Willie Hutch

Superbad...
Dig it...Ooooooh
Hey Hey Hey! Foxy! (Hey, Foxy!)
Oh, Ms. Foxy Brown
Oh girl, you're the kind of woman that,
Hey hey hey Foxy
Oh Foxy Brown
Oh girl, You're cute and sweet
No, but you don't play around
Oh, you got a --- smile that drives men wild
With your foxy looks --- about you child
No, but please don't make Foxy mad
Or you'll find out that the lady is Superbad (Haha, Superbad)
Hey hey hey, Foxy(Hey Foxy)
Ms. Foxy Brown
Hey girl, you're the kind of woman that a man needs around
Hey Hey Hey, Foxy (Hey Foxy)
They say that ----- Until she met you
Because you're flowing with love and devotion
A mountain high deep at the ocean
Someone to love cherish and adore
Oh You're the treasure of ecstasy
Girl take it from me, that most men have been searching for
Baby yeah
Oh Foxy, yeah
Foxy means Love
Oh Foxy Baby (Hey Foxy)
Ms. Foxy Brown
Girl, whatever you do...
Don't let him down!
