

# Slow Dance

John Legend

[Intro]

Yeah

Sing it with me y'all

Oh, oh yeah yeah

[Verse 1]

Can we wait just a minute

Slow it down for a minute now baby

You're talkin' loud, you're wildin' out

Don't seem like my old lady

Let's go and play the song we used to play

Can we reignite the flame

'Cause things just ain't the same

[Pre-Chorus 1]

We can talk about the baby

We can talk until we're crazy

We can focus on it now

Or we can focus on it later

We can start another fight

We can argue and fuss all night

But I propose that we go to the floor

And we slow dance

[Chorus]

Tonight I wanna dance

Can you do that with your man yea

Tonight I wanna groove

And let the music make you move

Move, yeah

[Verse 2]

Can we wait just a minute

Turn that TV off for a minute

Now politics and talkin' shit ain't really none of my business

Let's go and play the songs we used to play

On that old school radio

Let the music soothe your soul

[Pre-Chorus 2]

Forget about the world  
I'm groovin' with my girl  
Forget about the news  
Let's put on our dancin' shoes  
Let's not talk about the war  
Don't know what they're fightin' for  
I propose that we go to the floor  
And we slow dance

[Chorus]

Tonight I wanna dance  
Can you do that with your man, yeah  
Tonight I wanna groove  
And let the music make you move  
Move, yeah yeah  
Move, yeah yeah

[Bridge]

I love it, I love it, I love it  
Slow dancin' together  
I love it, I love it, I love it  
Slow dancin' together  
I love it, I love it, I love it  
Slow dancin' together  
I love it, I love it  
I propose that we go to the floor  
And we slow dance

[Chorus]

Tonight I wanna dance  
Can you do that with your man, yeah  
Tonight I wanna groove  
And let the music make you move  
Move, yeah yeah  
Move, yeah yeah
