

# Bad Seed

## Five Finger Death Punch

II didn't give up the fight  
I gave up on what's right  
Everything I should've believed  
I don't care about the warnings  
Just who I've become  
You swore that I wouldn't succeed I know that you're wrong  
Insanity embraces me  
It's what I chose and it's what I believe  
I still stand here strong  
I won't deny, deny  
The sun never shines  
It always rains on me  
I can't deny, deny  
That I've never tried  
No honor amongst us thieves  
Inside, inside  
I try to survive  
Strangled by the waste  
You can't deny, deny  
That I never tried  
It's always been on me I'm just a bad seed  
I'm just a bad seed  
I'm just a bad seed  
I gave up on the light  
I gave into the night  
I never knew how much I could bleed  
When it's all said and done  
I still stuck to my guns  
I always knew what I couldn't take Even if I'm wrong...  
Honesty is everything  
It's what I know and it's what I believe  
I still stand here strong I won't deny, deny  
The sun never shines  
It always rains on me  
I can't deny, deny  
That I ever tried  
No honor amongst us thieves  
Inside, inside  
I try to survive  
Strangled by the waste  
You can't deny, deny  
That I never tried

It's always been on me I'm just a bad seed  
I'm just a bad seed  
I'm just a bad seed  
I'm just a bad seed  
I'm just a bad seed Yeah!  
Bad seed!  
Yeah!  
Bad seed!  
I'm just a bad seed I won't deny, deny  
The sun never shines  
It always rings on me  
I can't deny, deny  
That I ever tried  
No honor amongst us thieves  
Inside, inside  
I try to survive  
Strangled by the waste  
You can't deny, deny  
That I never tried  
It's always been on me I'm just a bad seed
