

# Meet Me in the Woods

Lord Huron

I took a little journey to the unknown,  
and I come back changed I can feel it in my bones.  
I fucked with forces that our eyes can't see.  
Now the darkness got a hold on me. How long baby have I been away?  
It feels like ages though you say it's only days.  
There ain't language for the things I've seen.  
The truth is stranger than my own worst dreams. I have seen what the darkness does.  
Say goodbye to who I was.  
I ain't never been away so long.  
Don't look back them days are gone.  
Follow me into the endless night.  
I can bring your fears to live.  
Show me yours and I'll show you mine.  
Meet me in the woods tonight.
