

All Comes Down

Kodaline

I still hear the sound of that runaway train
Both in my heart is like love as refrain
But I know in my heart I can never go back
To the way that we were on that runaway track I see in my soul and I know you were lying to me
I lose control
Oh I didn't know
So just leave me alone But why do I feel so old?
'Cause I'm still so young Yea, but it all comes down to
When it all comes down to
It all comes down to
Yeah, it all comes down to
It all comes down to
It all comes down to you
If you see it
But can you do it
And you're so alone tonight
This heartbreak
Only choosing God's word to save me
Love is a battle oh oh oh
And everybody cries It all comes down to
When it all comes down to
It all comes down to
Yea, it all comes down to
It all comes down to
It all comes down to you And if you're wondering why
The position in my soul
And I feel so alone
Like I'm losing control
But you're still young, oh yea
Why do I feel so old?
'Cause I'm still so young When it all comes down to
When it all comes down to
It all comes down to
Yea, it all comes down to
It all comes down to
It all comes down to you
(All comes down to you) When it all comes down to
When it all comes down to
(All comes down to you)
When it all comes down to
When it all comes down to
(All comes down to you)

All comes down to you
All comes down to you
All comes down to you
